In general, opportunities for oral comment at teleconference meetings will be usually limited to three minutes per speaker and no more than fifteen minutes total. Written comments (at least 35 copies) received in the SAB Staff Office sufficiently prior to a meeting date (usually one week prior to a meeting), may be mailed to the Council prior to its meeting; comments received too close to the meeting date will normally be provided to the Council at its meeting, except for teleconferences, where brief written materials may be FAXed to the participants, with more detailed or lengthy materials received too close to the teleconference to be mailed to the Council or its appropriate subcommittee participants shortly after the teleconference. Written comments may be provided up until the time of the meeting.
